

IILM UNIVERSITY  
GREATER NOIDA, UTTAR PRADESH

THIRANEX VIRTUAL INTERNSHIP

# C++ PROGRAMMING

A 4 WEEK PROFESSIONAL  
INTERNSHIP PRESENTATION REPORT

INTERNSHIP DURATION

**AUGUST TO SEPTEMBER 2026**  
**(4 WEEKS)**

## STUDENT CREDENTIALS

**SUKRIT KUMAR**

Enrollment / Roll No

25SCS1003005141

Program & Semester

B.tech CSE (AI-ML) &  
3rd Semester

THIRANEX

**THIRANEX**

# Candidate & Program Overview

## Candidate Details

**Student Name:** Sukrit Kumar

**Roll Number:** 25SCS1003005141

**Degree:** B.Tech CSE(AI-ML)

**Academic Batch:** 2025-2029

**University:** IILM University, Greater Noida, U.P.

## Internship Profile

**Program Name:** Thiranex Internship

**Internship Domain:** C++ Programming

**Duration:** 4 Weeks

**STUDENT ID:** THX-AUG1026-450

**Start Date:** 10<sup>th</sup> August 2026

**End Date:** 09<sup>th</sup> September 2026

# Organization Profile: CodeAlpha

---

**THIRANEX** is a technology and software development organization committed to empowering students and aspiring professionals by providing practical learning experiences through internships and real-world project

## **Industry-Oriented Internship Programs**

Offers internships in domains such as Web Development, App Development, Python, Data Science, Machine Learning, Java, and more.

## **Practical Learning & Projects**

Focuses on hands-on training, real-time projects, and problem-solving to enhance technical skills and industry readiness.

## **Mission**

To bridge the gap between academic knowledge and industry requirements by providing quality learning, mentorship, and exposure to modern technologies.

# Problem Statement & Industry Context

## Problem Statement

While academic learning provides a strong foundation in programming concepts, students often have limited exposure to applying these concepts in practical software projects.

Building real-world applications requires understanding object-oriented programming, data structures, file handling, input validation, and problem-solving beyond theoretical knowledge.

## Internship Context

This internship provides hands-on experience in developing practical applications using C++, with a focus on object-oriented programming, data management, file handling, and logical problem-solving.

Through projects such as **Bank Management, Library Management, and Tic Tac Toe**, the internship bridges the gap between programming concepts and practical application development.

# Curriculum Timeline (Weeks 1 to 4)

---

## 1. Student Management System

To develop a console-based Student Management System in C++ that efficiently manages student records using file handling and menu-driven operations.

A functional application that allows users to add, update, delete, and display student information with persistent data storage for reliable record management.

## 2. Bank Management Application

To design and implement a C++ based Bank Management Application that simulates core banking operations using object-oriented programming and file handling.

A secure and functional banking system capable of performing deposits, withdrawals, and balance inquiries while maintaining persistent customer records.

## 3. Library Management System

To develop a Library Management System that efficiently manages books, members, and borrowing records using structured or object-oriented programming.

A functional application that enables book addition, issue and return processing, and search by title or author for streamlined library operations.

## 4. Mini Game Project (Tic Tac Toe / Snake Game)

To create a console-based mini game in C++ that demonstrates core programming concepts such as loops, arrays, and conditional logic.

# Certification & Official Verification

| Verification Metric  | Official Record / Credential Details |
|----------------------|--------------------------------------|
| Internship Title     | C++ Programming Virtual Internship   |
| Issuing Organization | THIRANEX                             |
| Academic Patronage   | Thiranex Virtual Internship Program  |
| Certificate ID       | THX-AUG1026-450                      |

# Certification & Official Verification

## Certificate

O F A C H I E V E M E N T

*This acknowledgment is proudly presented to*

**Sukrit Kumar**

This is to certify that **Sukrit Kumar** has successfully completed an internship in  
**C++ Programming** from **10 Aug 2026** to **09 Sept 2026**.

VERIFIED CERTIFICATE  
ID: THX-AUG1026-450

**Hariharan M**  
Founder & CEO

# Thank You!

SUKRIT KUMAR

Roll No: 25SCS1003005141

School of Computer Science & Engineering

IILM University, Greater Noida, U.P.
